

AOC Future Leaders Committee

Presented by
Amanda Brockermeyer
Pacific Region Director

Big Picture

Who are our Future Leaders?

- Where are Future Leaders gathering?
- How do we reach out to young professionals in a way that resonates?
- What is the compelling reason to join AOC and how do we leverage it?

Goal

Engage our Future Leaders

- Establish who is a Future Leader and where they're at
- Actively engage Future Leaders at not only a regional level but also a headquarters level
- Generate interest and host a networking opportunity for under 35 members during an AOC conference

What we need from you.

Identify key places Future Leaders may be internationally and nationally

- What do we know about where the hubs are for school houses and international interest in partnership?
- Where are there test sites, help ID where we can do this internationally and multiple it across the international space, all board members where are the hubs?

Feedback

- We want your feedback!
