

Award Name: **AOC Gold Medal**

Description

The Gold Medal is the AOC's highest and most prestigious award. It is presented to a senior Government, Military, or Industry official in recognition of outstanding and dedicated service to promote and advance the discipline of Electronic Warfare. It reflects the highest standards of commitment to the welfare and application of Electronic Warfare.

Quantity awarded per year

One

Length of EW Experience to be eligible for the award

Specific individual outstanding achievement and leadership over the previous calendar year or sustained performance over a period of several years shall be used as evidence to justify the nominee's nomination.

Award Nomination Criteria

1. Membership of the AOC is not a mandatory requirement.
2. Current or outgoing AOC International Board of Director/Governor members are not eligible for this award.
3. Nominee should be active duty or retired senior military or civil servant or an executive level industry leader from any AOC country who has led organizations or activities.
4. Leadership Requirements
 - a. The nominee must have, in a significant manner, advanced the science, art, technology and/or operations of Electronic Warfare. Details of the nominee's advancements shall be provided.
 - b. The nominee should be in a leadership role as a position, team leader, key policy maker whereby they have personal responsibility for the success or failure of the advancements made.
 - c. Advancements should be of a systemic or long-term impact influencing a broad and deep improvement in the science, art, technology and/or operations of Electronic Warfare.
 - d. The nominee should be of such stature, and in a position of senior leadership, to have personally led and/or influenced the discussions, policies, technologies, systems and doctrine associated with Electronic Warfare.
5. EW Community Awareness
 - a. Contributions to Electronic Warfare should be of a magnitude causing significant long-term impact.

- b. The contributions and achievements of the recipient should be evident to, and known by, the Electronic Warfare community.

Nomination Process

1. The nominator shall provide written evidence and supporting information, if necessary, to substantiate the nominee's achievements in meeting Nomination Criteria.
2. Nominations shall be provided either by a member of the AOC Board of Directors or by a Chapter President through the Regional Director of the Chapter.
3. Only nominations submitted using the AOC Gold Medal Nomination Form will be accepted.

Award Selection Process

1. The Nominee shall fully meet the requirements defined in the Award Nomination Criteria as above.
2. The Nominee shall fully meet the requirements defined in Section 2 of the AOC Gold Medal Nomination Form.

Presentation Venue

The AOC Gold Medal is normally presented at the annual AOC International Convention. An alternative presentation venue may be arranged if circumstances prevent the award being given at the annual AOC International Convention.
