The Association of Old Crows (AOC) Educational Foundation Inc. distributes funds annually through the AOC Foundation and its affiliated chapters, for scholarships and grants to assist military enlisted personnel and US undergraduate students in electrical engineering, physics, mathematics, and related disciplines. The Foundation also supports STEM education relating to the electromagnetic spectrum to middle and high school students around the world. The AOC Foundation was organized exclusively for the granting of scholarships to worthy individuals, or schools of higher learning, and for educational programs under Section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code.

### *Descriptions of AOC Foundation Funds*

- **General Fund:** an unrestricted contribution to the general fund will allow the AOC Foundation's Board of Governors to direct financial support to a program or service where it is needed most.
- **Scholarship Fund:** the AOC Foundation provides scholarships to students in their sophomore or junior year of college. Each year, male and female students studying engineering or engineering technology and are interested in working in the aerospace and defense industry are awarded financial scholarships. Your donation to this fund will provide additional seed money to increase our scholarship capability and support more and more young people interested in future employment opportunities within our profession.
- **Awards & Recognition Fund:** the AOC Foundation is constantly reviewing new concepts, programs, and services across the global electromagnetic warfare (EW) and spectrum operations community to support & promote the recognition and acknowledgement of AOC's members, organizations, military units and like-minded individuals working in electromagnetic warfare (EW) and spectrum operations internationally. Your donation to this fund will provide necessary resources to make additional recognition opportunities a reality.
- **EMS/STEM Activities Fund:** the AOC Foundation is looking to grow our outreach efforts to students, their families, and educators through national and international STEM science fairs/competitions, educational conferences, podcasts, and webinars. Your designated gift to this fund will assist us in truly being an organization dedicated to the support of EMS and STEM studies in our academic curriculum.
- **Community Education Fund:** the AOC Foundation is looking to expand our information & networking efforts supporting our 69 chapters world-wide, their communities, and potential employers and future employees through university and museum partnerships showcasing the unique history and importance of electromagnetic warfare and spectrum operations. Your designated gift to this fund will assist us in truly being at the heart of the EW community.
- **Special Projects Fund:** The AOC Foundation is committed to seeking new pilot programs, platforms and unique ways to position the Association of Old Crows as the premier global association that unites members, organizations, and like-minded individuals interested in electromagnetic warfare (EW) and spectrum operations internationally. The AOC fosters a global exchange of ideas, philosophies, and information that celebrate the significant advancements and contributions honoring the hard work and dedication of our members. Your donation to this fund will provide additional resources to develop creative new ways to support and honor them well into the next century.

*Thank you for supporting the AOC Educational Foundation Inc. Donations to the AOC Foundation are tax-deductible to the fullest extent of the law as no goods or services are provided in consideration of a gift (Tax ID #54-1337848). Under the direction of the Board of Governors, the AOC Educational Foundation Inc. retains complete control over the use and distribution of donated funds in furtherance of its mission.*
