

MID ATLANTIC REGION

Mr. Jeff Hughes, Cell 931 216 6308

MID-ATLANTIC BIG ROCKS

AOC Internal.

- Communication.
- What is the Vision?
- What is the Strategy?
- What is the Implementation Plan and Milestones for the Vision?
- What are the Near, Mid, and Far Term Goals?
- What is the understanding of where DOD is wanting to go i.e., MDO, GD, CJADC2, etc. The AOC wholistically must understand and advocate for EMSO.
-
- Feedback from Members. Hosting and holding some type of “Town Hall.” Pushing out emails is not communicating or collaborating with its members.
-
- Website, Sponsorship, Fundraising, etc. Types of Courses for Chapter Staff Members w/ members who would like to learn and participate. Can fill in information & conference info. Develop a local directory of tracking items. Etc.
-

For the Mid-Atlantic, here is feedback received from the Presidents who gave feedback:

Mr. Pete Scucces.

- Presented their Scholarship Award to Mr. Andrew Cramer and Mr. Michael Oltarzewski and their families. Mr. Lisuzzo and Mr. Scucces were present!
- Recently supported The Culinary Club at The Free State Challenge Academy. This Academy is a program dedicated to helping at-risk youth.
- They have held and will continue holding monthly Lunch & Learns.

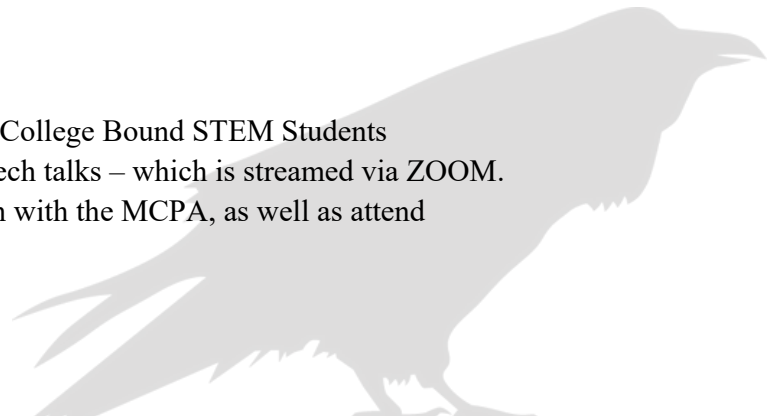

Mr. Stuart Moran.

- Currently working on getting classes and conferences back on their respective timeline.
- Continues to host and hold monthly courses w/ Rhode & Schwartz assistance.

Dr. Jon Ward

- Awarded 2 Scholarships to local HS / College Bound STEM Students
- Continue to host and hold lunchtime tech talks – which is streamed via ZOOM.
- Pursuing partnership and collaboration with the MCPA, as well as attend HAMMERCON.

Mr. James Longacre

Just kicked off the Fayetteville- Ft. Bragg Chapter. Hosted his first Team Lunch Meeting Need to make a visit and assist with any additional questions, concerns, recommendations.

Mr. Justin Stout

- Continues to host and hold monthly Club meetings. They currently sit in the Business Management Building and the Engineering Compound.

Moving forward with SEARCH – Signals Exploitation and Analysis Research Cyber Hub.

For the Capitol Region (Jeff's Input):

- Partnership with Space Force Foundation, AUSA, PSW, MCPA, and ITSEC. Small Goals!!
- Collaboration and Integration with our Embassies.
- AOC Member Participation for STEM / Aviation / Space Events!!
- Build a relationship with the Capitol Club
